Grants, awards and scholarships do not need to be repaid. Loans require repayment if accepted. To reduce your award, you must notify the Office of Student Financial Services in writing at the address listed above. Students receiving loans or work study funds are required to accept or decline their awards online using your MyLIU account. You must complete this process for financial aid to disburse to your student account. First time Direct Loan borrowers are required to complete a Master Promissory Note (MPN) and Entrance Counseling at studentloans.gov using their Federal Personal Identification Number (PIN). Parent and graduate PLUS loan borrowers must complete a separate MPN and submit a copy to the campus with the amount they want to borrow. Graduate PLUS loan borrowers must also complete an entrance interview. First time Perkins Loan borrowers are required to complete a Master Promissory Note (MPN) and Entrance Counseling at webapps.liu.edu/signature.
